- » **5-year limited warranty** on covered components

The XC14 may be eligible for federal, state or local tax credits, as well as rebate programs from local utility companies. Please consult your tax advisor for more information.

As testament to the efficient performance of the XC14 it has earned the ENERGY STAR label, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

Choosing an ENERGY STAR qualified product like the XC14 can improve your comfort, while also helping you save energy and money. For other ways to make your home more efficient, visit ItPaystoLiveSmart.com.

*Must be accompanied by either a variable speed air handler or furnace and the ComfortSense[®] 7000 Series touchscreen thermostat.

**Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR criteria. Ask your Lennox dealer for details or visit www.energystar.gov.
