

Merit® Series ML193 Gas Furnace

Energy efficiency

- » **Up to 93% AFUE** efficiency rating can save you hundreds of dollars each year, compared to standard furnaces
- » **ENERGY STAR® qualified** – meets or exceeds EPA guidelines for energy efficiency
- » **Secondary heat exchanger** allows furnace to reach high efficiency levels by capturing additional heat

Reliable performance

- » **Quality you can trust** – designed with reliable, time-tested components
- » **Hot surface igniter** delivers starting reliability
- » **Duralok Plus™ heat exchanger** for long product life and durability
- » **20-year limited warranty** on heat exchanger
- » **5-year limited warranty** on covered components*

Optimize your system

- » **Dual-fuel** – For optimal comfort and efficiency, the ML193 can be combined with an electric heat pump to create a dual-fuel system. This combination minimizes heating costs by seamlessly alternating between the two energy sources, depending on outdoor conditions.
- » **Pair with ComfortSense® thermostats** for intuitive touchscreen operation.

As testament to the efficient performance of the ML193, it has earned the ENERGY STAR label, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

Choosing an ENERGY STAR qualified product like the ML193 can improve your comfort, while also helping you save energy and money. For other ways to make your home more efficient, visit ItPaystoLiveSmart.com.
